

BLUE EQUINOX

WHITE LABEL

ACCOUNT MANAGEMENT

Free Dedicated Sales Staff for you, AS YOU!!

A successful and credible service supporting over 5,000 business customers today. We take great pride in how we manage your customers in a post-sale scenario. The value we create for your customers is what drives new revenue, customer loyalty and residual income. Our Mission is to sell leading edge solutions (Cloud, Managed and Network services) by providing superior & trusted support to your customers without the risk or costs of building your own Account Management/Sales team.

Program Benefits

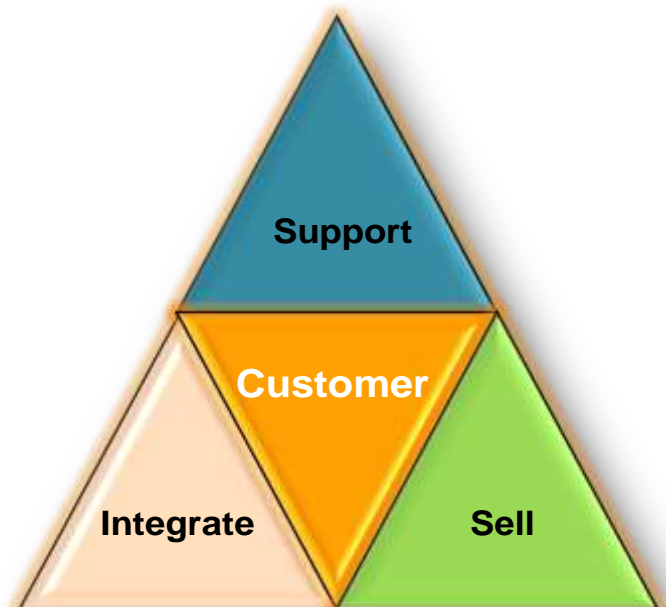

- **Free account management team** for you, selling for you.
- **100% of the costs covered** (salaries, commissions, tools, etc.) No cost to you.
- We handle all contracts, installs and support.
- We provide you with active funnels, sales reports and recorded calls.
- **Respond to clients under your brand**, redirect support questions to the right professionals.
- Up to 20% NET margin revenue on every dollar. Every month paid to you!
- A program that is proven and working today with solid references. **7 years of experience.**
